

WATERFALL

Broome to Darwin or Darwin to Broome 14 NIGHT PACKAGE

March / April / May

Cruise 2*: Saturday 29th March – Saturday 12th April

Cruise 3: Thursday 10th – Thursday 24th April

Cruise 4*: Saturday 26th April – Saturday 10th May

Cruise 5: Thursday 8th – Thursday 22nd May

from
\$12,500
per person / twin share

WHAT'S INCLUDED:

- Transfer from Broome to Broome Port
- 13-night cruise from Broome to the Berkeley River
- Seaplane flight from the Berkeley River to Kununurra
- One night's accommodation in Kununurra at The Kimberley Grande (or similar)
- Transfer from the accommodation to Kununurra Airport
- Air North group flight from Kununurra to Darwin (or receive a \$250pp flight credit and make your own travel arrangements from Kununurra)
- DRIVING OPTION: Leave your vehicle safely stored in Kununurra (Kimberleyland Waterfront Caravan) or Broome (Broome Caravan Park in Wattle Drive). We'll provide a \$250pp account credit so you can book a flight between Kununurra and Broome.

Explore the untouched wilderness of Australia's Kimberley coastline – a myriad of beautiful bays, inlets, beaches, reefs, rivers and of course spectacular waterfalls

Cruise 2 and 4:

Day One of your cruise: Broome boarding at 9am

A morning transfer to Broome Port. Please let us know where you are staying in Broome for ease of transfer. Enjoy a welcome drink and a briefing by the Captain before you settle in, become familiar with your surroundings and relax as we cruise around Cape Leveque and the start of the Buccaneer Archipelago. You are about to begin the journey of a lifetime!

** You need to be in Broome the day before your cruise departs! **

Cruise 3 and 5:

First day of your journey:

Morning Air North flight from Darwin to Kununurra (or receive a \$250pp flight credit and make your own travel arrangements to Kununurra). Transfer from Kununurra Airport to accommodation

Day One of your cruise: Kununurra to the Berkeley River

You will be picked up from the hotel by a shuttle bus and then flown by seaplane to the Berkeley River where you will be welcomed aboard Discovery One. Settle in, become familiar with your surroundings and relax. Your journey of a lifetime has begun...

Itinerary inclusions (tides permitting):

Talbot Bay & the Horizontal Falls:

Talbot Bay is home to the famous Horizontal Falls. The region's massive tides create a spectacular scene, sending huge volumes of water rushing through two narrow chasms in the land formation when the tides reach peak flow in both rising and falling conditions. With up to 10m of height difference between the waters of each of the two inland bays and the sea, the water gushes through creating whirlpools, boils and raging currents. In Cyclone Creek, the incredible marine life includes impressive Tawny Nurse sharks which often come to greet Discovery One.

Montgomery Reef:

North West of Raft Point is Montgomery Reef. This 400 sq km reef can emerge up to 4 metres above the waterline at low tide, creating a visual spectacle of waterfalls and sea life. Several small islands dot the reef and support rich mangroves, crocodiles, turtles, birds and fish.

Sampson Inlet:

Further north is Sampson Inlet which leads into a monsoonal rainforest pocket with almost permanent fresh water. Many previous passengers have called this the most beautiful spot on the Kimberley coast.

St George Basin & the Prince Regent River:

Within the St George Basin are two flat topped hills, Mt Trafalgar and Mt Waterloo, which provide a spectacular backdrop as you cruise to the mouth of the Prince Regent River. This river is the eroded remains of the longest single straight lineament in Australia, making it

yet another geological wonder. Get your camera ready as you experience some spectacular scenery, flora and fauna on our journey down this remote and pristine waterway, concluding at the majestic King Cascade Falls. This magnificent site is where American model, Ginger Meadows, was fatally attacked by a crocodile in 1987, a horror story which has been retold around the world. Keep an eye out for crocodiles as you view these magnificent falls which cascade over fern covered tiers in breathtaking splendor.

Careening Bay:

Careening Bay is within the southern part of Nelson Bay where, in 1820, Phillip Parker King careened the vessel HMC 'Mermaid' for repairs whilst surveying the Australian coastline. His carpenter carved the vessel's name into an ancient Boab tree which is still visible today 200 years on!

York Sound & the Hunter River:

Prince Frederick Harbour lies within York Sound and it is here that we find the Roe and Hunter River estuaries. This area boasts sensational scenery, with cathedral-like gorges and eroded sandstone features such as the Indian Head at the entrance to the Hunter River.

King George River:

The King George River flows into Koolama Bay and is bordered by wonderful sandstone coloured cliffs. It is here you will see the spectacular King George Falls; the tallest falls in Western Australia. Be prepared for a shower! At this time of year the spray from the falls reach up to 500 meters down the gorge and the thundering falls add further excitement.

Cruise 2 and 4:

Last day of your cruise: The Berkeley River & Kununurra:

The stunning red ochre cliffs bordering the Berkeley River dominate the scenery as we cruise through this magical region of beautiful waterfalls and freshwater pools. The Berkeley has extensive smaller creeks feeding into it and drains the Seppelt and Collison Ranges and Gardner Plateau. It is here that the cruise concludes. Boarding a seaplane, you will enjoy a scenic 1 hour flight to Kununurra followed by a transfer to the hotel where accommodation has been arranged. Last day of your journey: Kununurra: You will spend the morning in Kununurra as free time before a hotel transfer to the airport for your flight from Kununurra to Darwin.

Cruise 3 and 5

Last Day of your cruise: Broome Port disembark at 8am

This morning we wake up in Broome. After goodbyes, a shuttle will be waiting to take you to your chosen destination in Broome.

Something Extra... This itinerary lists all the places you can reasonably expect to visit on your cruise between Broome and the Berkeley River. It is likely, however, that there will be additional places of interest visited on the actual cruise, time and tides allowing, which is why we prefer not to give you a day by day itinerary.

The Captain aims to maximize the cruising experience for all passengers, so he will decide when and where he will take you during your time on the Kimberley coast. In this sense, every cruise is a little different and each passenger's experience unique.
