Celebrating 25 Years in the Kimberley

With her classic steel hull, handcrafted timber interiors, and soul full of stories, she has become a part of the Kimberley landscape. Over the past 25 years, Discovery One has carried more than 11,000 guests across nearly 400 expedition cruises, offering intimate, unforgettable journeys through one of Australia's most breathtaking regions. She's not just a boat — she's part of Kimberley cruising history.

Honouring Country and Culture Walking Together in Respect

As we cruise the Kimberley coast, we travel through the homelands of the Wunambal Gaambara, Dambimangari, and Balangarra peoples. We thank them for welcoming us to these ancient lands and pay our respects to Elders past, present, and emerging.

These lands have been cared for by Traditional Custodians for tens of thousands of years, rich with sacred sites, stories, and cultural law.

Immerse Yourself in Nature with Steve Parish

This exclusive workshop will elevate both your technical photography skills and creative practice, immersing you in Steve's unique six-step approach. You'll learn to connect more deeply with nature and discover how to tell its story through your lens — with clarity, purpose, and your own authentic voice.
