DISCOVERY ONE  
KIMBERLEY CRUISES

## CHASING WATERFALLS WITH GLENN SMITH

*Darwin to Broome*

16 APRIL - 30 APRIL 2026

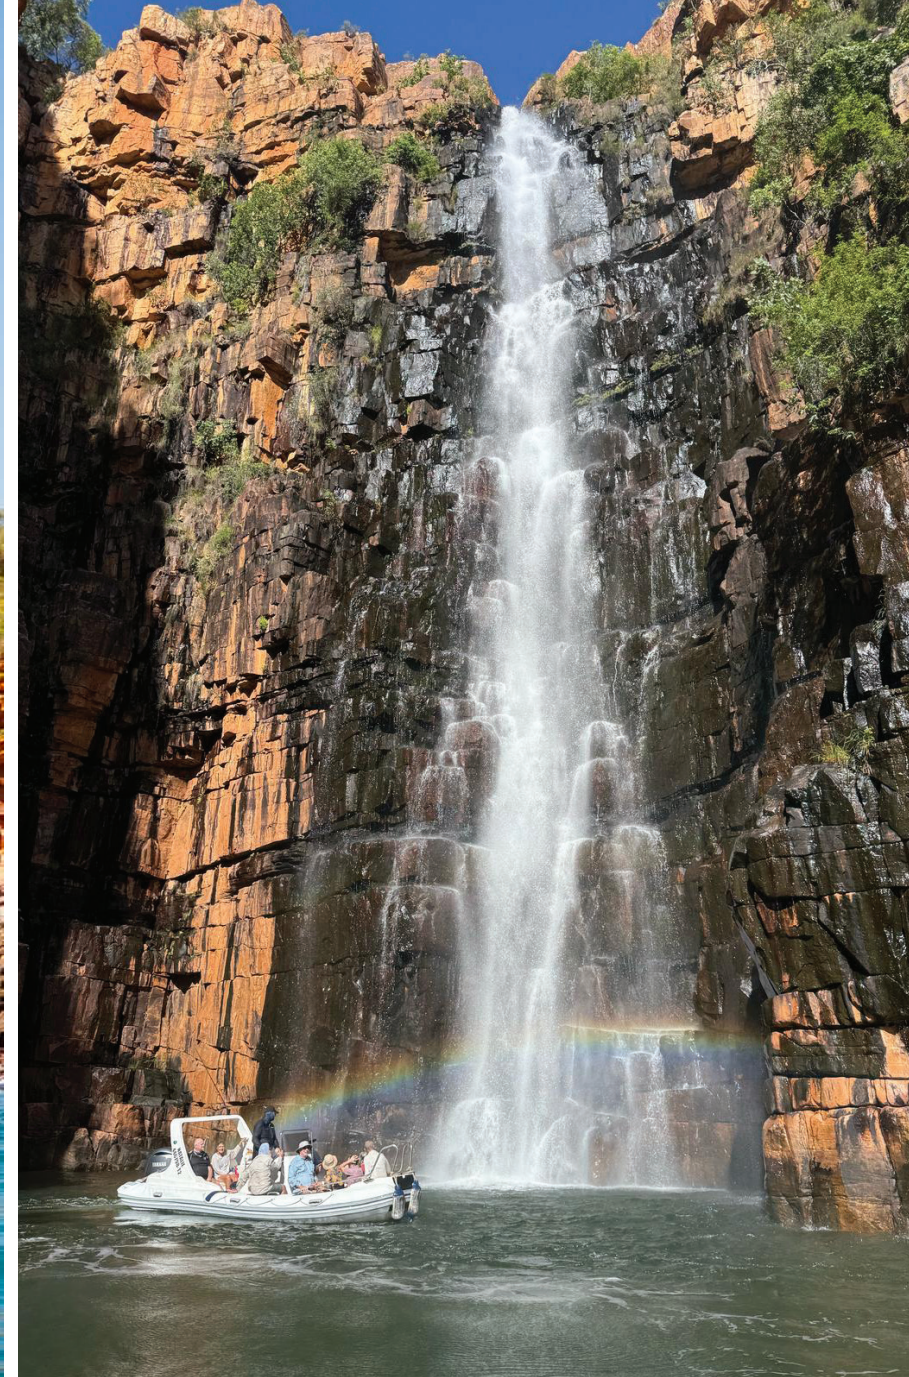

*...refine your skills while  
capturing the Kimberley's  
waterfalls, wildlife, and  
coastline in peak post-wet  
season splendour.*

This special 13-night cruise offers a hands-on photography experience in one of Australia's most untouched landscapes. With only 20 guests, enjoy an intimate setting to refine your skills with Glenn Smith.

*A rare opportunity to  
travel with renowned  
nature photographer  
Glenn Smith.*

from  
**\$13,990**  
per person/ twin share

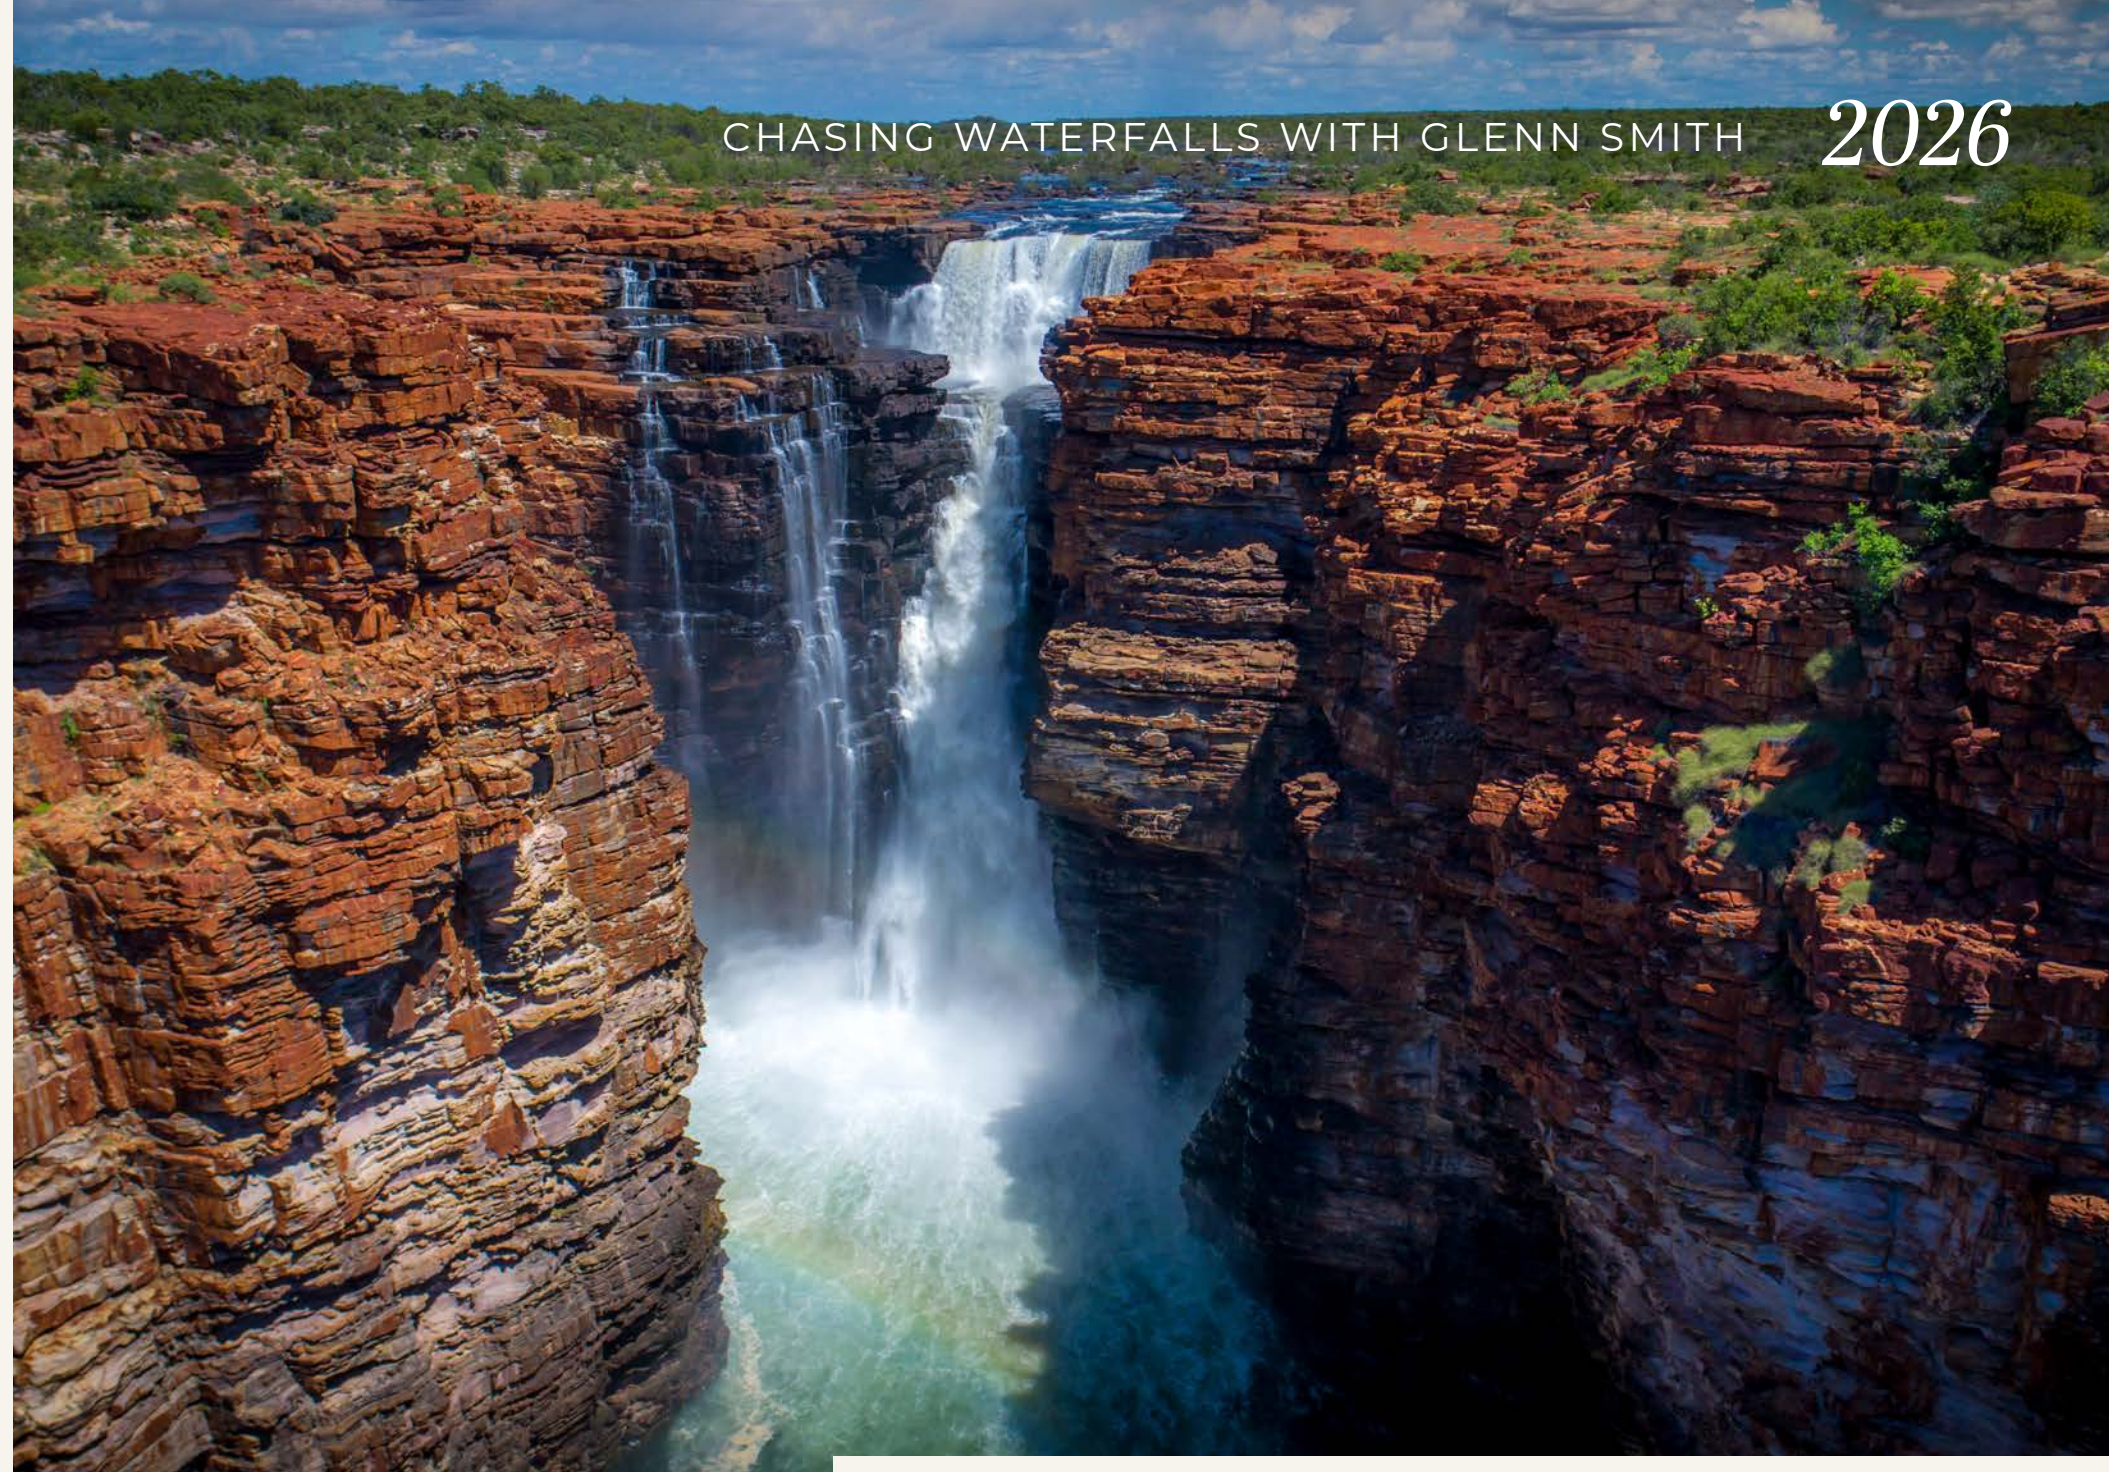

*Discover the wild heart of the Kimberley as we cruise through some of its most iconic and remote locations: Talbot Bay and the Horizontal Falls, Raft Point, Montgomery Reef, the mighty Prince Regent River, Hunter River, King George River, and the majestic Berkeley River. Along the way, you'll explore ancient Aboriginal rock art galleries, encounter incredible wildlife, and cool off in secluded creeks and cascading waterfalls—far from the crowds, deep in nature's untouched masterpiece.*

*What's included:*

- Flight from Darwin to Kununurra (or \$250pp flight credit)
- One night at the Kimberley Grande Hotel, Kununurra
- Scenic flight from Kununurra to the Berkely River
- 13-night Kimberley cruise aboard Discovery One
- Exclusive photography workshops using Steve Parish – Nature Connect – Masterclass, executed by Glenn Smith @Glennrsmith66
- Exceptional dining & multiple daily excursions
- Transfer to accommodation in Broome

CHASING WATERFALLS WITH GLENN SMITH **2026**

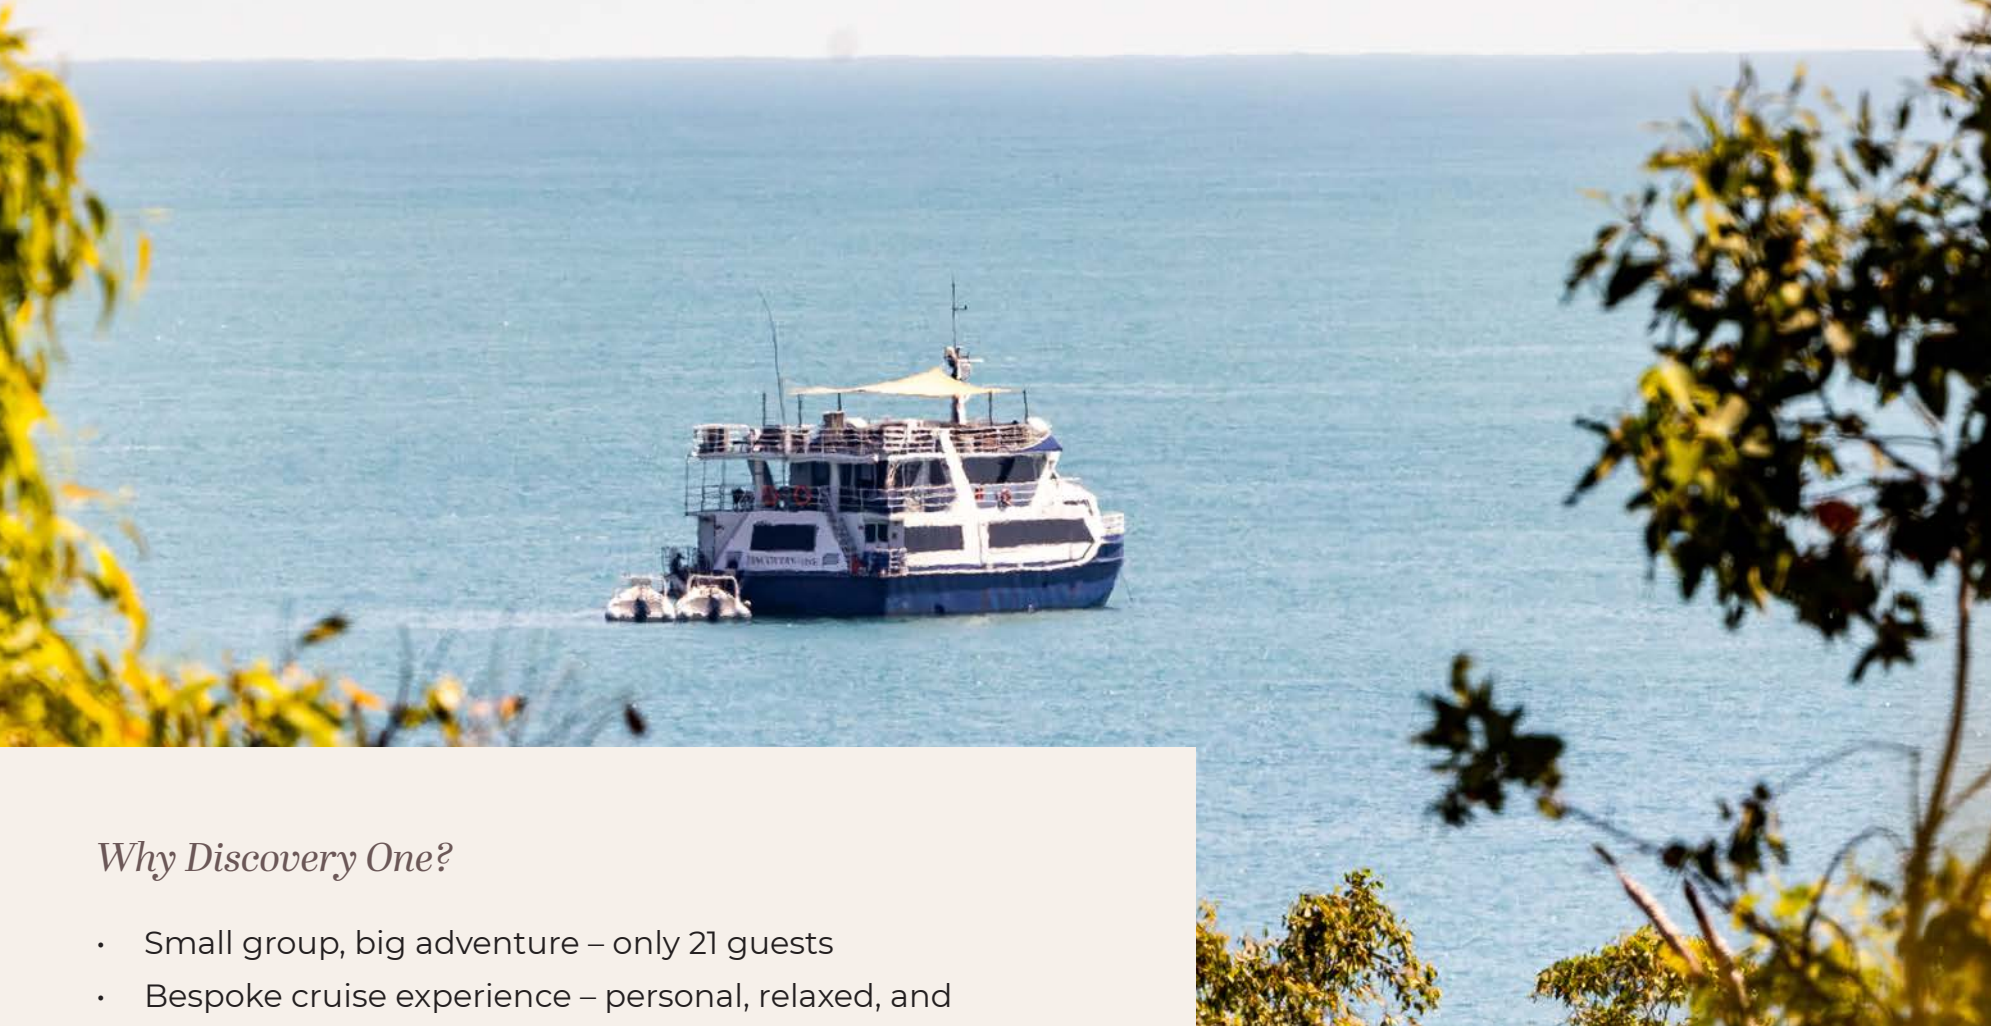

*Immerse Yourself in Nature with Glenn Smith*

*This exclusive workshop will elevate both your technical photography skills and creative practice. You'll learn to connect more deeply with nature and discover how to tell its story through your lens — with clarity, purpose, and your own authentic voice.*
