EXPLORE HEALTH & WELLNESS CRUISE

Broome to Broome

15–26 AUGUST 2026

*Created especially for
vibrant, health-conscious
travellers aged 55+*

Our Explore Health & Wellness Cruise invites you to reconnect with your body, breath, and sense of purpose — all in one of the world's most extraordinary natural landscapes.

from
\$13,490
per person/ twin share

This 11-night round-trip cruise from Broome to Naturalists Island is a showcase of the region's remote beauty: towering waterfalls, ancient rock art, hidden beaches, and captivating wildlife. Enjoy scenic flights for a spectacular aerial perspective of the Mitchell Falls, Horizontal Falls, and Montgomery Reef.

Explore Talbot Bay, Horizontal Falls, Raft Point, Ruby Falls, Montgomery Reef, Prince Regent River and King Cascade Falls. Visiting Aboriginal art sites, spotting wildlife and swimming in beautiful creeks and waterfalls are all part of our daily excursions.

What's included:

- 11-night Kimberley cruise aboard Discovery One - reconnect with your body, breath, and sense of purpose — all in one of the world's most extraordinary natural landscapes.
- Scenic helicopter flight over Mitchell Falls
- Scenic light aircraft flight over the Kimberley Coast & Horizontal Falls
- All Health and Wellness sessions and treatments on board
- Premium cuisine & multiple daily excursions
- Transfer to and from accommodation in Broome

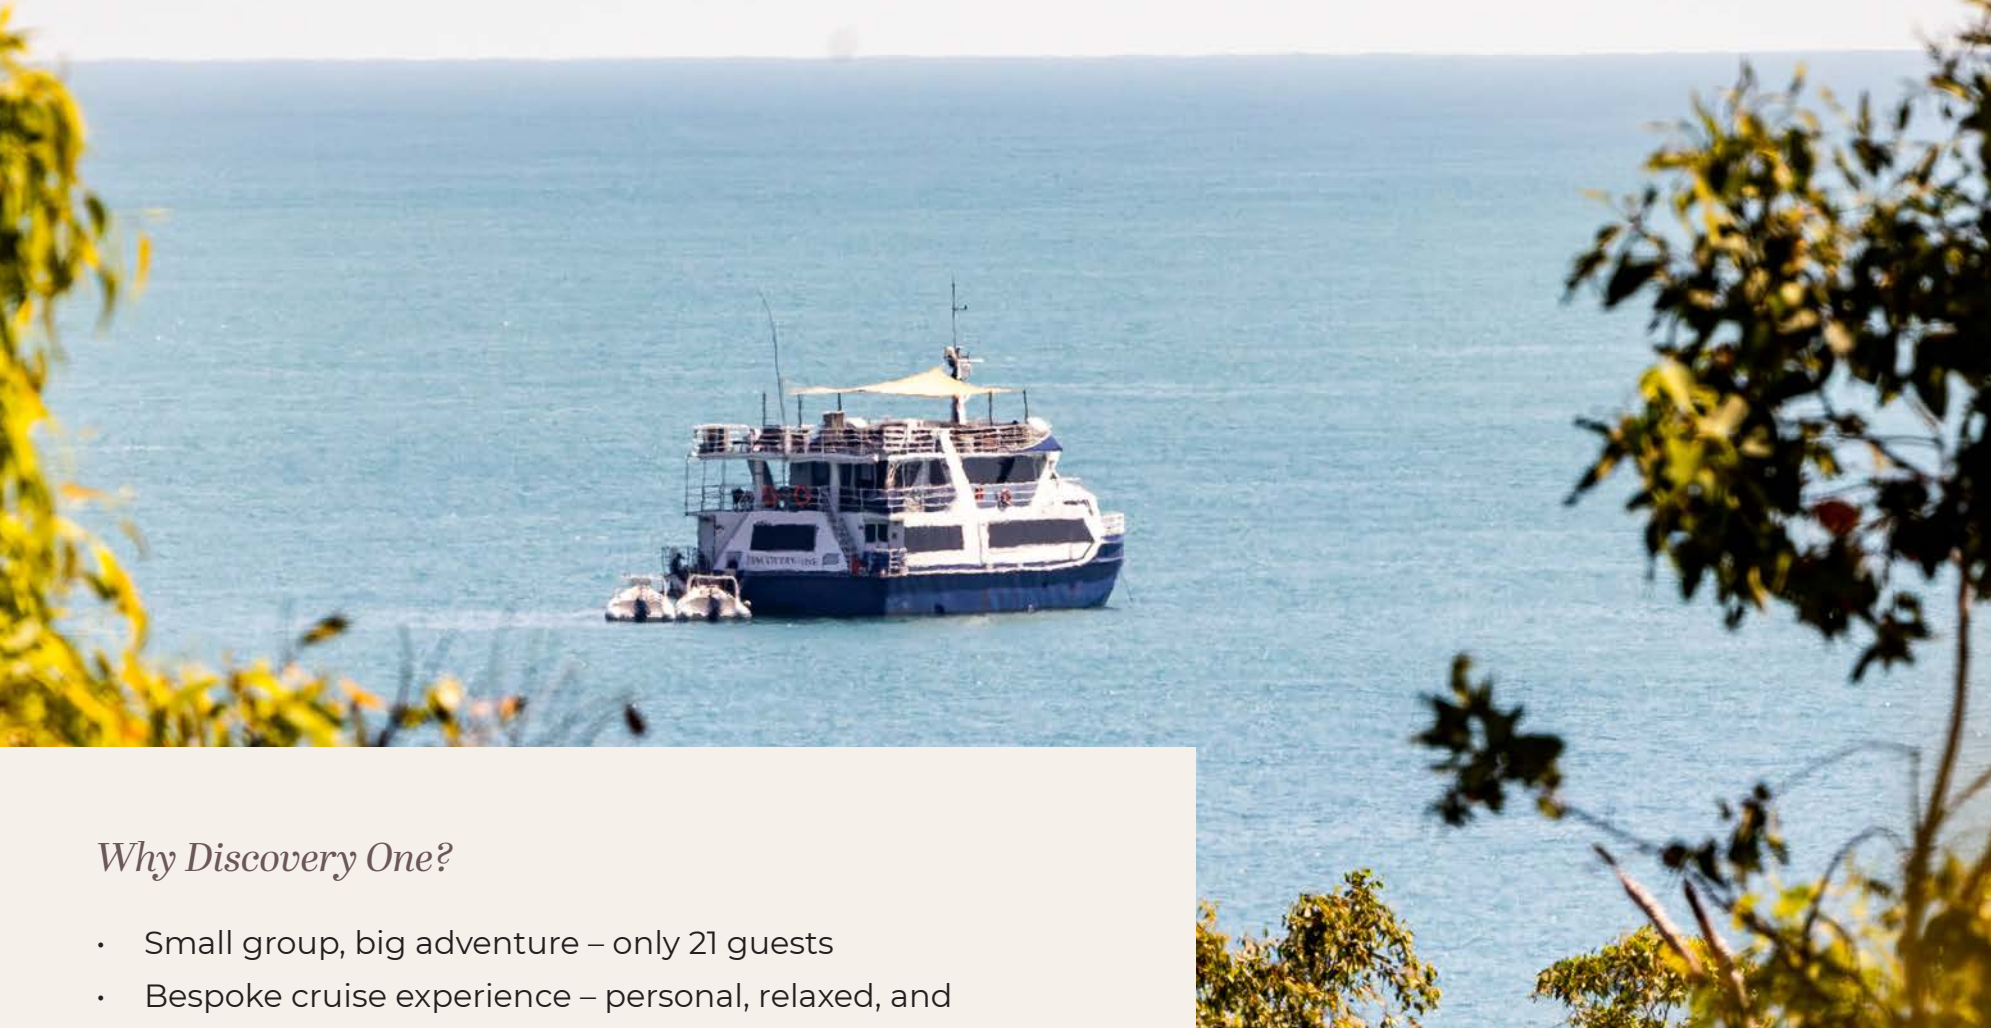

Onboard, enjoy a thoughtfully designed daily program that includes:

- Mindfulness and breathwork to build calm, focus, and inner clarity
- Functional movement and balance practices to support lifelong strength and stability
- Yoga, Pilates and mobility work, tailored to suit all levels and support graceful ageing
- Nutrition sessions focused on energy, vitality, and healthy ageing
- Restorative treatments including massage, bodywork, and Reiki
- Private one-on-one sessions to explore personal goals or challenges with care, clarity, and intention

Whether you're stepping into wellness practices for the first time or simply taking time to replenish, this cruise offers a unique blend of connection, self-care, and exploration — all delivered in Discovery One's signature small-group, expert-led style.

Our mission is to deliver unforgettable travel experiences that inspire and enrich. We are driven by a commitment to sustainability, a deep respect for people and the planet, and a passion for adventure. Our goal is to craft journeys that delight our guests while fostering positive change for the environment and the communities we explore.
