Honouring Country and Culture - Walking Together in Respect
As we cruise the Kimberley coast, we travel through the homelands of the Wunambal Gaambera, Dambimangari, and Balanggarra peoples. We thank them for welcoming us to these ancient lands and pay our respects to Elders past, present, and emerging.

These lands have been cared for by Traditional Custodians for tens of thousands of years, rich with sacred sites, stories, and cultural law.
