- 25 years in the Kimberley – deep local knowledge and experience

Our mission is to deliver unforgettable travel experiences that inspire and enrich. We are driven by a commitment to sustainability, a deep respect for people and the planet, and a passion for adventure. Our goal is to craft journeys that delight our guests while fostering positive change for the environment and the communities we explore.

Honouring Country and Culture - Walking Together in Respect

As we cruise the Kimberley coast, we travel through the homelands of the Wunambal Gaambera, Dambimangari, and Balangarra peoples. We thank them for welcoming us to these ancient lands and pay our respects to Elders past, present, and emerging.

These lands have been cared for by Traditional Custodians for tens of thousands of years, rich with sacred sites, stories, and cultural law.

Things to Note:

Traditional Owner Visitor Passes

- All visitors must pay access fees (\$200–\$300 pp), which are added to your booking.
