A highlight of this journey is an immersive Aboriginal cultural experience with Kingfisher Tours, exploring traditional knowledge and sustainable practices passed down through generations.

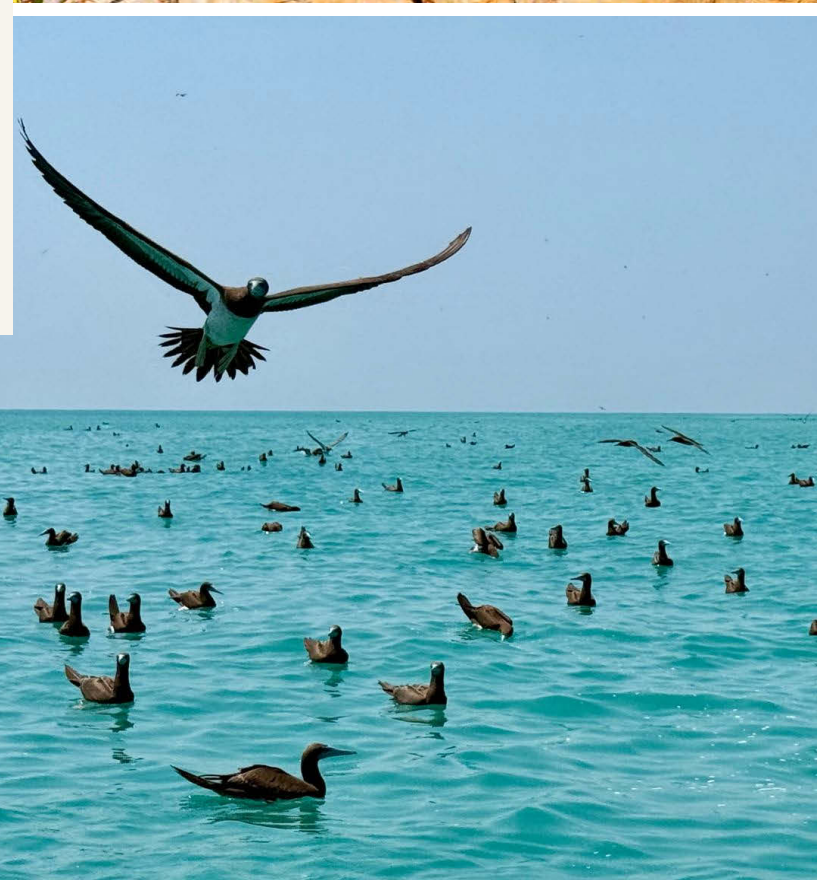

Discover the wild heart of the Kimberley as we journey through Talbot Bay, Horizontal Falls, Raft Point, Montgomery Reef, the powerful Prince Regent River, Hunter River, King George River, and the majestic Berkeley River. Each day brings the chance to uncover ancient Aboriginal rock art, spot extraordinary wildlife, and swim in crystal clear creeks and hidden waterfalls. Guided by our expert naturalist each excursion brings the Kimberley's unique ecosystems

What's included:

- 14-night Kimberley cruise aboard Discovery One
- ¾ day bespoke Aboriginal experience by Kingfisher Tours
- One night at the Kimberley Grande Hotel, Kununurra
- Flight between Kununurra and Darwin (or \$250pp flight credit)
- Premium cuisine & multiple daily excursions
- Transfer from accommodation in Broome

Celebrating 25 Years in the Kimberley

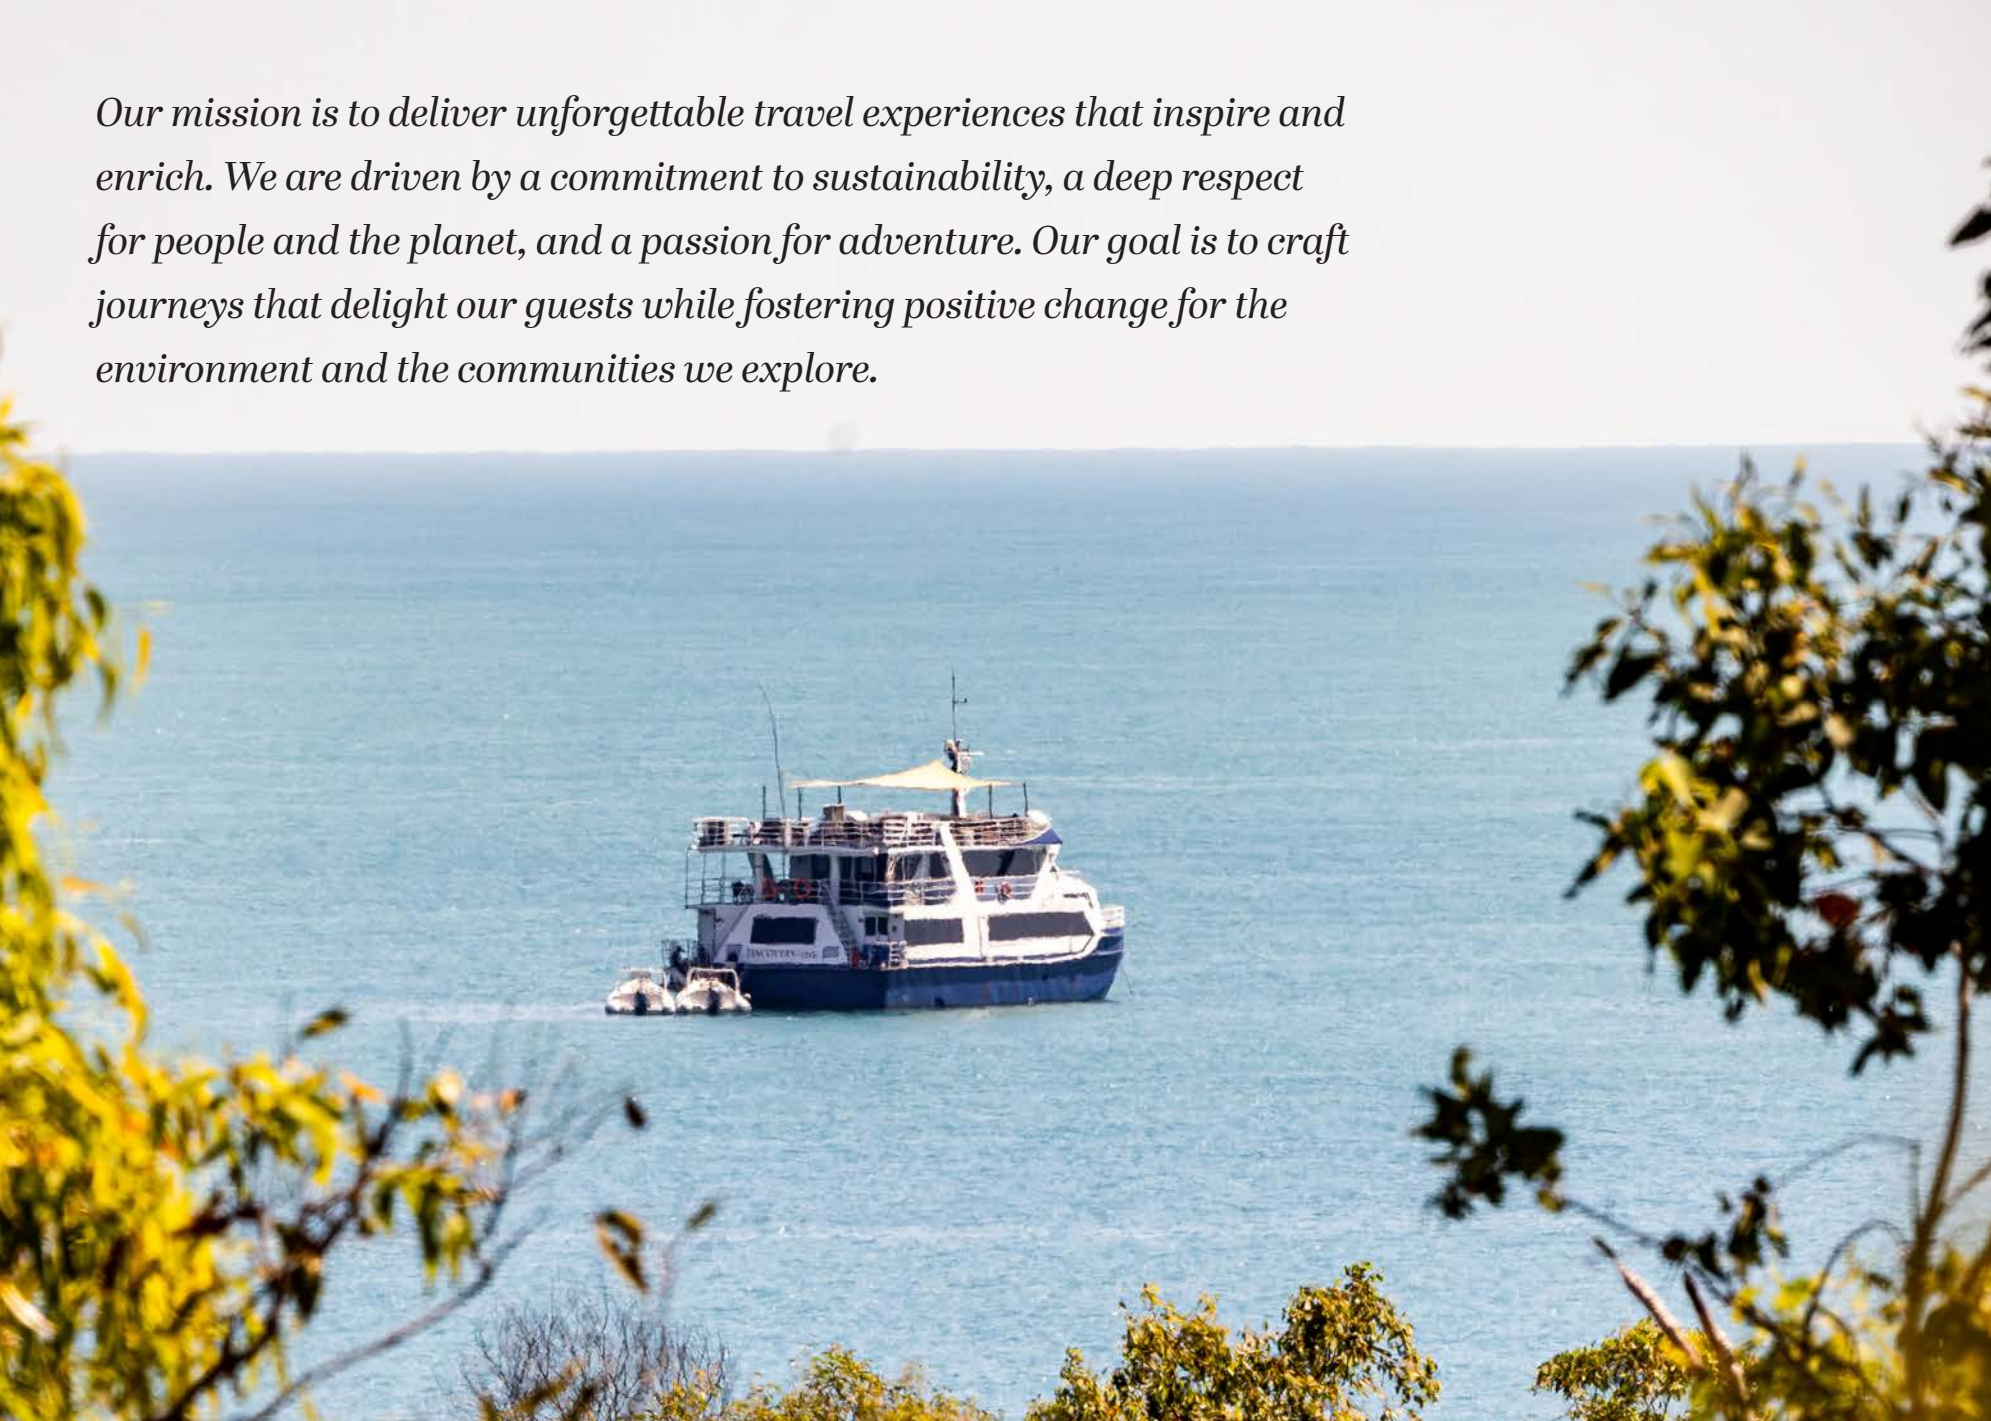

With her classic steel hull, handcrafted timber interiors, and soul full of stories, she has become a part of the Kimberley landscape. Over the past 25 years, Discovery One has carried more than 11,000 guests across nearly 400 expedition cruises, offering intimate, unforgettable journeys through one of Australia's most breathtaking regions.

Why Discovery One?

- Small group, big adventure – only 21 guests
- Bespoke cruise experience – personal, relaxed, and thoughtfully curated
- Sustainable elegance – low-impact travel with style and purpose
- 2–3 daily excursions – dive into the heart of the Kimberley
- 2 fast 150HP tenders – more exploring, less waiting
- 360° top deck – stunning views all day long as we travel close to shore
- 25m catamaran – smooth, spacious, superb & air-conditioned
- 25 years in the Kimberley – deep local knowledge and experience

Our mission is to deliver unforgettable travel experiences that inspire and enrich. We are driven by a commitment to sustainability, a deep respect for people and the planet, and a passion for adventure. Our goal is to craft journeys that delight our guests while fostering positive change for the environment and the communities we explore.

Honouring Country and Culture - Walking Together in Respect

As we cruise the Kimberley coast, we travel through the homelands of the Wunambal Gaambera, Dambimangari, and Balangarra peoples. We thank them for welcoming us to these ancient lands and pay our respects to Elders past, present, and emerging.

These lands have been cared for by Traditional Custodians for tens of thousands of years, rich with sacred sites, stories, and cultural law.
