The Kimberley, As Few Ever Experience It

Small-boat expeditions into one of
Australia's last true wildernesses.

Experience the Kimberley

Experience the Kimberley differently.

You will leave with more than photographs. You will leave changed by the experience.

Vast, remote and impossibly beautiful, the Kimberley is one of Earth's last great wilderness frontiers.

With just 21 guests onboard, Discovery One offers a more personal way to experience this extraordinary coastline.

Swim beneath waterfalls, explore ancient rock art, and uncover hidden corners few ever reach. Guided by nature rather than schedules, this is the Kimberley as it's meant to be experienced – up close.
