KIMBERLEY CRUISES

KIMBERLEY CRUISES 2024 SEASON

DISCOVERYONE.COM.AU

If you like the idea of small ship cruising (maximum 22 passengers) and you have a good sense of adventure, enjoy visiting remote wilderness locations and are fit and active – then book your Kimberley adventure onboard Discovery One.

We'll take you to the popular spots – Montgomery Reef, King Cascades - as well as the off-the-beaten-track locations we've discovered over the years. You'll admire wildlife; osprey, Brahminy kite, humpback whales, dolphins and crocodiles. You'll take short hikes to explore historical sites, swim at secluded beaches, climb rocky cliff tracks to reach freshwater rockpools for a dip and marvel at ancient cave art. You may even take a Kimberley shower under a seasonal waterfall.

You'll be well cared for by our fabulous crew who will cater to your dietary needs, take you on two or more daily excursions (weather and time permitting) in the adventure boats, and safely cruise you through the 1000 islands of the Buccaneer Archipelago, hugging the coastline as we go.

We are an Australian owned and run small business with a reputation for delivering amazing experiences.

If this sounds like you – give us a call.

We can't wait to share this spectacular location with you.

Grant Moffitt & Mark Meallin
Discovery One Owners

"Outstanding crew, love the small size of the passenger cohort... The food was amazing! The scenery is breath taking ... The two or three trips off the boat in the tenders daily gave great access to some hidden swimming holes, reefs, appreciation and understanding of the huge tidal movements, aboriginal art and amazing rock formations. The top deck provides a great viewing platform for the passing scenery and the sea water spa was filled on request. A great spot for bubbly before dinner. I highly recommend this company."

Our cruise and excursions on the Berkeley River were outstanding and only boats with less than 35 passengers can get over the bar into the Berkeley River. The boat was comfortable, the food amazing. Choose this cruise!"

Approximately fifty percent of the Kimberley's population comprises Indigenous people who represent more than 30 language groups. We pay our respect to Elders past, present and emerging.
